

Dear Camp Addisone Boyce Families,

Thank you all for your patience and understanding as we assessed the damage done to CAB in this week's storm and underwent the necessary repairs. We are thrilled to announce that CAB will reopen on its normal schedule Monday, July 17th!

We have been in contact with our bussing company, and they are ready to resume the regular route, provided the roads are open, and pickup/dropoff points are accessible.

Our CAB Camp Director, Sunflower, has been working this week to get in touch with our bus route locations to confirm they are able to accommodate the buses and campers. We are still waiting to hear from the following locations:

- Nyack
- Stony Point

If your stop is one of these locations, please try to make other transportation arrangements for your camper, as we cannot guarantee the stop will be on Monday's route. We will provide further updates as we hear back from the locations and as more road openings are confirmed.

If you have any questions, please email membercare@girlscoutshh.org or call 855-232-GSHH (4744).

Yours in Girl Scouting,
Girl Scouts Heart of the Hudson, Inc.
